May Responsibility

In May, we celebrate the Christian quality of Responsibility. Responsibility is the duty to be accountable for something. It is a moral obligation to behave correctly. Set time aside this month to remind our children how important it is to take responsibility for our actions, for each other, for our belongings, and for our Earth!

“You cannot escape the responsibility of tomorrow by evading it today.” – Abraham Lincoln

“If you want children to keep their feet on the ground, put some responsibility on their shoulders.” – Abigail Van Buren
