## CHRISTIAN QUALITY OF THE MONTH

### CHEERFULNESS

Happy Spring! The Christian Quality we celebrate in the month of April is **cheerfulness**. Cheerfulness is the quality of being happy and optimistic, and April is the perfect time to learn about cheerfulness. It is an amazing time to spend time outside with your children, enjoying the beautiful weather and watching the flowers bloom. Take time this month to spread joy and happiness, and to celebrate all the good things in our lives.
