## CHRISTIAN QUALITY OF THE MONTH

DECEMBER 2024

### JOY & CELEBRATION

December is a month full of joy, celebrations, and the magic of Christmas. Family traditions allow so much fun to be had and a time to discuss the magic seen this time of year. It is a great time to talk to our children about joy, both what brings them joy and how they can help spread joy to others. It is a great time to discuss all the amazing reasons we have to celebrate. And, of course, it is the perfect time to dive into the true meaning of Christmas.

"One of the happiest things that can happen to you in life is, I think, to have a happy childhood."

-Agatha Christie

"There is joy and wonder everywhere when you see the world through the eyes of a child."

-Katrina Mayer

"A child has a special way of adding joy in every single day."

-Anonymous
