CHRISTIAN QUALITY OF THE MONTH

JANUARY 2025

PRAISE & ENCOURAGEMENT

Happy New Year! There is no better time to start making changes and creating new positive habits than the month of January. Starting the year off in this way ensures that you will have a year even better than the last. It is also the perfect time to either start or continue pointing out all the amazing things your child does, both big and small. Hearing praise and encouragement allows our children to thrive and gain self-worth. Positive reinforcement truly does wonders!

"Children are likely to live up to what you believe in them"

-Lady Bird Johnson

"Even the smallest person can change the course of the future."

-J.R.R. Tolkien

"You are braver than you believe, stronger than you seem and smarter than you think."

-A.A. Milne
